

## **School Fees Terms & Conditions Academic Year 2021-2022**

### **Two Tier Fees Statement**

The intentions of Brockwood Park help generate a quality of care and dedication to total education which makes the School unique and our fee structure is designed to reflect this. We have a two tier fees system, intended to make the School as affordable as possible to the widest number of families, whilst asking those parents who can afford it to take the decision to pay fees that are a more accurate reflection of the real costs involved in this education.

As parents you are free to choose which tier you will pay from the school fees shown below; your choice will have no bearing on the education your child will receive. Bearing in mind your own circumstances, please also consider the following factors while making your choice:

- Every year, the school has to fund bursaries for deserving students;
- residential staff at Brockwood are paid about minimum wage to help subsidise school costs and there is a high staff to student ratio;
- the school, which has a highly individualised programme for students, is intentionally small and operates on a break even basis;
- any additional income will allow for improvements to equipment and facilities and help ensure that the beautiful grounds are well maintained;
- the average cost of independent boarding school fees in the UK is presently £33,000 per annum.

We appreciate you giving careful consideration to all the above before choosing the tier you will pay for the next academic year.

#### **Fees for the full year:**

**Tier 1 - £23,300**

**Tier 2 - £30,700**

*If you would like to discuss paying a mid-range amount that falls between Tier 1 and Tier 2, please contact: [bursar@brockwood.org.uk](mailto:bursar@brockwood.org.uk)*
